| 7. General | 7. Algemeen. |
| 8. Closure of meeting. | 8. Afsluiting. |

PERSONNEL NEEDS

The outgoing committee has identified the following needs of the Society:

1. Our data requires secure storage and re-organisation to ensure ease of access. We urgently require an IT specialist.
2. SS needs members with marketing skills and the ability to solicit donations large enough to enable us to establish the new museum / information centre.
3. Any other members who have a contribution to make and who are willing to be co-opted onto the committee, are requested to inform our secretary.
4. Any member with contacts to a potential donor able to fund aspects of the new museum, are also requested to inform the committee. We firmly believe that the archaeological narratives of the region, together with the food resources provided by the Fynbos and the shell fish, are a part of our human heritage which is so important that it deserves to be made available to the widest possible public.

DOKUMENTASIE

Die volgende dokumente is hierby aangeheg:

- Notule van vorige Algemene Jaarvergadering
- Finansiële verslag
- Voorsittersverslag.

INVITATION

Members are invited to remain at the venue to enjoy a convivial glass of wine, provided by the members of the outgoing committee. Members are also requested to present prospective new members to the Society at the AGM.
